Rough Stucco/ Stucco	■			■	■		■
Clay Bricks: Glazed & Unglazed	■	■	■	■			■
Unpainted Wood				■			

■ =Recommended Use

[†]Plus Color is design to be mixed with any latex exterior paint to create a stain system for decorating any porous unsealed cementitious surface. Apply W-2 or Plugger over Plus Color for extended warranty.

^{**}To test the porosity of the concrete surface, do a Rilem tube test. To obtain a Rilem tube, contact your local ZINSSER representative.
